The total time expended for the preparation of this application is approximately 6 hours, and the corresponding estimated compensation that will be requested in a future application is approximately \$2,250.00.

This application is the tenth application for interim compensation of services filed by S&J. Note that for the first four applications, approved expenses are slightly less than requested expenses because S&J mistakenly requested more than .15 a page for copying costs and \$1.00 a page for facsimile costs in its March 29, 2002 applications. The amounts requested for reimbursement from Debtors were reduced by this excess. Prior to the entry of the order of this Court dated January 28, 2002 S&J was compensated by the Debtor pursuant to the Court's Order of May 3, 2001 authorizing Debtors to pay professionals in the ordinary course of business, and S&J was paid \$50,000 for each of the periods July 1, 2001 through July 31, 2001 and for September 1, 2001 through September 30, 2001. As a result, S&J requested reimbursement for the excess of those amounts over the \$50,000 previously paid with respect to those months.
